5 Dear Granny,

How are you? I miss you so much. I remember that your birthday is coming! It's this Friday, right?

I want to show you a video. My music teacher said I sang too softly in the school concert as I was too nervous. ☹️ I remember that we always sang together when I was small. I miss the days we sang loudly in the living room. Let's sing together at your birthday party!

10 I have made a DIY present for you. I made it patiently! I'm so excited to see your reaction when you receive my present. I am looking forward to this!

Love,
Jenny
