Jack: Welcome to our school radio broadcast, Peter and Paul. Good to see you back at Happy Primary School. I am Jack, your student host today!

Peter: Yes. Ha ha! We are **old boys** now. We graduated a long time ago.

Paul: Right. We studied here twelve years ago.

5 Jack: Can you tell us some of your good memories about this school?

Peter: There are quite a lot! I made a lot of friends here! Some teachers were like friends to me. We sometimes gathered to chat after school. I enjoyed so much being a student here.

Paul: I was happy on the days that I had different kinds of extra-curricular activities. However, my academic results were not good. I was so stressed, but I was lucky that teachers in this school stayed behind after school to teach me.

10 Jack: Did you ever think of being a lawyer or a vet or something?

Peter: I wanted to be an architect but now I am a pilot.

Jack: What about you, Paul?

Paul: I was interested in designing. I am now a fashion designer. I wish I could be a primary student here again.

15 Peter: Yes, it was so carefree.
