# Love at first sight

Read the story about Joe and Sally. Answer the questions on the following page.

1 I will never forget the first time I met Sally. It was near school last month. Sally has long, curly hair and big eyes. Her eyes are bigger than mine! It was first love when I saw Sally, and she loved me at first sight too.

5 That day nearly four weeks ago, we walked together in the park and I talked to her for a long time but she didn't say a word.

10 We like doing many of the same things together. We usually run around the park and play ball games. We do this together every week. We sometimes go swimming together!

I wanted to take her to the beach with my family because Sally likes swimming. Therefore, I took Sally home with me yesterday so she could meet my family.

15 I asked Mum if Sally could stay with us. 'She is so lovely! Let's keep her. Be a **responsible** owner!' said Mum. Sally kept **wagging** her tail. She was so excited. We were all very happy to have Sally stay with us.
